MADE IN CANADA

SHIPS CANADA &  
USA

# Built in Canada. Made to outlast.

Every Molior Multo attachment is engineered and fabricated in Ontario from high-strength steel, then matched to your exact machine. No off-the-shelf compromises – just tools built to work as hard as you do.

ENGRAVED & LASER-CUT INTO EVERY BUILD

## Proven quality

High-strength, abrasion-resistant steel and industry-leading fabrication that stand up to frost, rock and hardpan.

## Built to measure

Pin sizes, mount styles and dimensions matched to your make and model, so you just put it on and get back to work.

## Advanced manufacturing

Laser-cut profiles, CNC-formed shells and precision welding – engineered for productivity, safety and a clean, consistent fit.

## Coast to coast to coast

Family-owned and operated in Mississauga, Ontario – shipping our work right across Canada and the USA.

We stand behind the quality of our products with **unyielding integrity** – and back every build with a one-year warranty.

# Small Grading Bucket 0.8–1.7 T

Smooth, high-capacity grading & clean-up bucket for compact machines. Built to measure from high-strength steel and matched to your exact make, model and coupler.

GET IN TOUCH

# Family-owned. Built for the long haul.

We're a family-owned and operated business proud to serve operators and contractors across Canada and the USA. Whether you're a seasoned pro or buying your first attachment, we'll help you choose the right tool for your machine – and stand behind it.

### Family-owned & operated

Real people who build, ship and answer the phone. You deal with the family, not a call centre.

### Exceptional support

We help you pick the right size, mount and steel for your machine and your ground conditions.

### One-year warranty

Every build is backed by a one-year warranty and hassle-free, no-runaround support.

### Ships Canada & USA

Built in Ontario and shipped coast to coast to coast – fast 2-3 week lead times on most attachments.

## Proudly Made in Canada

Designed, cut, welded and finished in Ontario – national pride in every bucket.
